

# BILLSTORE

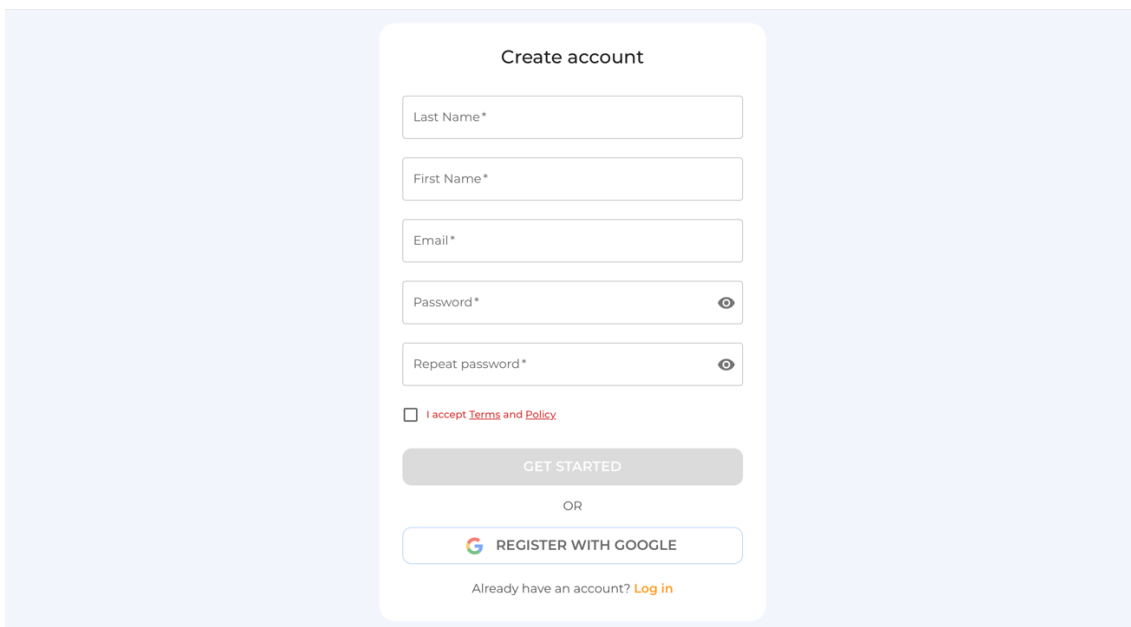

Welcome to the BillStore Help Center.  
Here you will find all the guides you need to get started quickly and easily.

## Registration

To use all the features of the platform, you must first create a user account.  
Registration takes a few minutes only.

You can choose between two registration methods:

- Registration with email address and password
- Registration using your Google account

The screenshot shows a 'Create account' form with the following fields and options:

- Last Name\*
- First Name\*
- Email\*
- Password\* (with an eye icon for visibility)
- Repeat password\* (with an eye icon for visibility)
- I accept [Terms and Policy](#)
- GET STARTED button
- OR separator
- REGISTER WITH GOOGLE button (with Google logo)
- Already have an account? [Log in](#)

## Account creation

### Registration with Email and password

With this option, you create a BillStore account using your email address.

#### 1. Enter personal information

Enter the following details in the required fields:

- Last name
- First name
- E-mail address

Please make sure your email address is entered correctly.

## 2. Set a password

Create a secure password for your user account.

Re-enter the password to confirm your input.

For a secure password, we recommend:

- at least 8 characters
- at least one uppercase letter
- a combination of letters, numbers, and special characters

## 3. Accept terms and privacy policy

To complete the registration, you must:

- accept the Terms and Conditions (T&C)
- agree to the Privacy Policy

Tick the corresponding checkbox.

## 4. Start registration

Click "Get started".

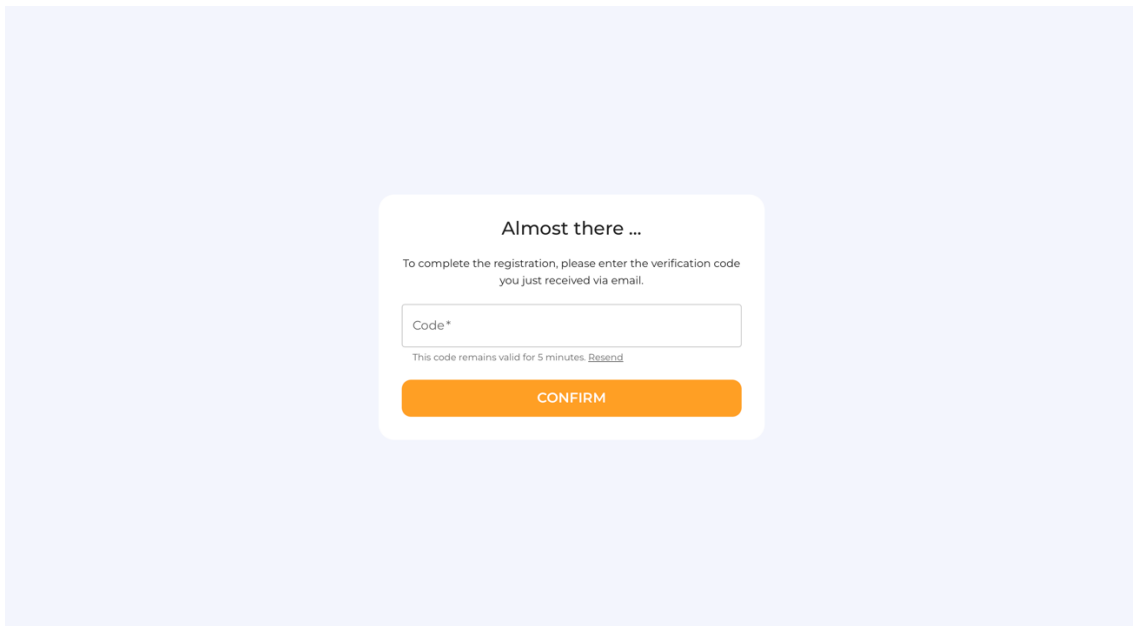

Your account will not be created immediately, as an email verification is required first.

## 5. Receive verification code

After clicking "Get started", you will receive an email with a verification code.

## 6. Enter code

Open the email and enter the code in the designated field on the verification page.

## 7. Complete verification

Click "Confirm".

After successful verification, you will be taken directly to your profile and can start using the platform.

### Didn't receive a code?

If you did not receive a verification code:

1. Check your spam or junk mail folder
2. Click "Resend" to request a new code

## Registration with Google account

Alternatively, you can register using your existing Google account.

### 1. Accept Terms and Privacy Policy

Before registering with Google, you must:

- accept the Terms and Conditions (T&C)
- agree to the Privacy Policy

Tick the corresponding checkbox.

Create account

Last Name\*

First Name\*

Email\*

Password\*

Repeat password\*

I accept [Terms](#) and [Policy](#)

GET STARTED

OR

 REGISTER WITH GOOGLE

Already have an account? [Log in](#)

## 2. Select Google registration

Click "Register with Google".

## 3. Choose Google account

Select an existing Google account or sign in with your Google account.

If a Google account is already logged in on your mobile device, you will be signed in automatically.

## 4. Automatic data transfer

The required data, including your email address and password, will be automatically transferred from your Google account.

## 5. Successful login

After successful login, you will be redirected directly to your profile and can start using the platform.
